

A Summer Gaming Camp just for teen girls!

Play Games ◀

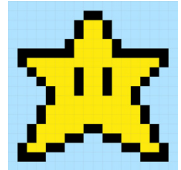

Campers and staff will play games together on Wii, Xbox360, and Playstation 3.

Portal
Little Big Planet 2
Dance Central
Flower
Just Dance

Show-Off Your Skills ▶

Campers will create a documentary to air on Twin Cities Public Access Channels! Share your ideas with the world!

▶ Meet Others who Love to Play!

Each session of Girls Game 2gether will introduce campers to professionals, students, and peers who love gaming!

Make Your Own Game ◀

Campers will work all week to create their very own video game. Create characters, design your world, and let other people PLAY your story!

What is it?

Girls Game 2gether is a FREE one-week gaming camp designed just for teen girls! Campers and staff will work together to play games, develop strong identities and community connections, create Flash based videogames, and ask critical questions about why there aren't very many girl heroes (or many girl programmers!) in the gaming industry... yet!

St. Paul:
June 24th-28th
Science Museum of Minnesota
