

Little Women of Color

where potential meets purpose

Little Women of Color is a STEM-centered organization designed for 7-12 year old female-identifying BIPOC (Black, Indigenous, People of Color).

Please visit our website to register for the upcoming LWOC year.

September 2022 - August 2023

Registration deadline: September 30th, 2022

www.littlewomenofcolor.org

What we do *

Our virtual meetings focus on positive self image and STEM education. We meet on the first and third Saturday of the month.

Twice Monthly Student Sessions *

1st Saturday

1st Saturday of the month at 10am and 11am CT: 7-9 year olds and 10-12 year olds meet separately for activities focused on positive self image.

3rd Saturday

3rd Saturday of the month at 10:30am CT: Students will hear from a woman of color who is a STEM professional.

Once monthly parent sessions:

2nd Saturday of the month at 12:00pm CT: Parents share their experiences, learn from one another, and exchange resources.

Cost:

\$35 registration fee and \$20 per month

*A limited number of annual scholarships are available.
