

Minnesota African Women's Association, MAWA™

St. Paul African Girls Initiative for Leadership & Empowerment, AGILE
After School Program

Building on our African Past for a Successful American Future

Educative – Informative - Fun

AGILE girls & staff at College of St. Benedict, 2016

AGILE offers:

- Best practice culturally specific intervention for Pan-African refugee and immigrant girl participants ages 14 to 18 in St. Paul to overcome barriers to high school completion and college attendance
- Participants attend a 90 to 120 minutes in-person or virtual session weekly
- Focus on college attendance curriculum, financial literacy, environmental awareness, civic education, tutoring in STEM subjects and English, college visits, self-esteem building and fun African Cultural activities.
