SAINT PAUL’S FRAMEWORK FOR YOUTH SUCCESS

The framework, co-created by over 350 community members and stakeholders, calls the Saint Paul community to action to ensure all our young people recognize and achieve their greatest potential. In Saint Paul, we believe young people are most successful when they learn, contribute, navigate and thrive.

Supported by a grant from the W.K. Kellogg Foundation and technical assistance from the C.S. Mott Foundation.

COMMUNITY SUPPORTS

• Parents and guardians are respected and engaged
• Teachers and youth workers reflect and understand youth in Saint Paul
• Equitable access to meaningful out-of-school time learning opportunities
• Resources to help navigate post-secondary and workforce options
• Tutors, mentors and other supportive relationships

ENGAGED

• Resilient, persistent, determined, hopeful
• Driven by a sense of purpose, goals, and passion
• Connected to supportive adults and peers
• Grounded in culture

CIVICALLY ENGAGED

• Resourceful
• Strong communicators
• Make positive decisions
• Work well in diverse groups and settings

TUTORS, MENTORS AND OTHER SUPPORTIVE RELATIONSHIPS

• Civically engaged
• Leaders
• Stewards of their communities
• Involved in work and internships

ENGAGED IN THEIR LEARNING

• Competent in academic skills
• Problem solvers and critical thinkers
• Creative and innovative
• Literate in information and technology
